Dear

Everyday many firms are awarded contracts for goods and services by the federal government. In my district alone, there are hundreds of contracts awarded each year. The size of these contracts may seem insignificant to those of us who work with budgets amounting to millions of dollars. However, the company which receives the contract recognizes the transaction as a very important agreement.

Occasionally, contracts are awarded in my district of which I am unaware. I would appreciate it if you would notify my office (734-1500) of any government sponsored contracts which are awarded by your agency. This information is often helpful in answering constituent questions and concerns.

Thank you for your time and consideration in this matter.

With best regards,

Sincerely

Frank Wolf  
Member of Congress
